

International Society of Military Sciences

Vienna, 18-20 November 2019

Application for Conference

The conference will be held at the Austrian National Defence Academy, Stiftgasse 2a, Vienna
Contact us at info@isofms.org

The 11th Annual Conference of the ISMS, a consortium of defence universities in small democratic countries, will be hosted by the Austrian National Defence Academy in Vienna. Please use this form to submit abstracts and proposals or indicate your interest in registering for the event.

Proposals in the form of short abstracts (300 words), long abstracts (1500 words), presentations, papers, or posters will be considered by the Conference Committee.

Surname	
First name	
Academic title	
Military rank	
Email	
Affiliation	
Short biographic note:	

Are you... (please check all that apply)

- A young scholar or new faculty member in military sciences
- A research librarian, research administrator or information manager at a defence university
- A military journal editor, advisor, publisher, or board member
- An author or editor for the Handbook of Military Sciences
- An ISMS Working Group Chair or Council member

Are you a serving military member or defence civilian? If so, you will require border clearance and travel notification. Members of armed forces, military and civilian, from nations other than Austria must submit through national channels, by 10 October 2019, a request for cross-border movement permission - see link on conference web site.

- Yes
- No

Please provide a short abstract of your proposal (up to 300 words):

Please upload a paper, poster, presentation, or long abstract reflecting your proposal. Summaries of up to 1500 words may be published in the Conference Omnibus (book of abstracts).

Which of the following working groups do you prefer for presenting your work? Full descriptions of each working group can be found at www.isofms.org.

Working Groups	First choice	Second choice
1. War Studies	<input type="checkbox"/>	<input type="checkbox"/>
2. Military History	<input type="checkbox"/>	<input type="checkbox"/>
3. Military Technology	<input type="checkbox"/>	<input type="checkbox"/>
4. Leadership, Command and Control, Basic Competencies	<input type="checkbox"/>	<input type="checkbox"/>
5. Law and Ethics	<input type="checkbox"/>	<input type="checkbox"/>
6. Security and Defence Policy (see also WG10, Strategy)	<input type="checkbox"/>	<input type="checkbox"/>
7. Armed Forces and Society	<input type="checkbox"/>	<input type="checkbox"/>
8. Defence Management and Economics	<input type="checkbox"/>	<input type="checkbox"/>
9. Military Education	<input type="checkbox"/>	<input type="checkbox"/>
10. Strategy	<input type="checkbox"/>	<input type="checkbox"/>

Which of the following approaches best reflects the abstract, paper, presentation, or poster which you have proposed?

- It addresses the conference theme, “building military science for the benefit of society”
- It illustrates the special contribution of a field or discipline to military sciences
- It presents research results within my field or discipline

If not selected to present on a panel, I would consider presenting my work as a poster:

- Yes
- No

I understand that I must transfer € 110 for the conference fee before my registration will be accepted. The Conference fee covers the expenses of the conference for the benefit of the attendees. This is a non-profit event.

- Yes
