In a few weeks the International Applied Military Psychology Symposium (IAMPS) will meet again. We are very pleased that colleagues from more than twenty countries have registered for IAMPS 2018 in Bucharest, Romania, from May 7<sup>th</sup> - 11<sup>th</sup>. With our organizing team we are doing our best to value your time at the highest level. Our program is built up to be professionally enriching and personally interesting. Find out details at [www.iamps.org](http://www.iamps.org).

Those who have not yet registered, please place your registration by April 20<sup>th</sup> at the latest. This allows us to finalize preparations in time.

Do not skip the event and register your participation in time. Also, all submissions are warmly welcomed (till April 20<sup>th</sup>!). If you registered as a presenter and haven't submitted your proposal yet, please do so as soon as you can. Let us keep our professional network alive and growing!

Please note that the block reservation of rooms in hotels close to the location of our symposium also has been extended until April 20<sup>th</sup>. Please check the accommodation page ([www.iamps.org/Conference/Accommodation.aspx](http://www.iamps.org/Conference/Accommodation.aspx)) for more details about the special rates at the specific hotels.

Looking forward to welcome you in Bucharest!
